

WHAT IS *Spiritual* DIRECTION?

Spiritual Direction is the process of accompanying people on a spiritual journey, encouraging them to share and reflect on their life-story. The purpose of Spiritual Direction is to help individuals explore their personal and spiritual experience as they grow closer to God. Although some people may begin direction because of personal difficulties, losses, hurts or spiritual uncertainty, Spiritual Direction is not psychotherapy or counselling.

Individuals who seek Spiritual Direction come from all walks of life, all ages, across the wide expanse of Christian denominations and sometimes from no specific spiritual tradition. The common thread among seekers is the desire to draw closer to God. The Spiritual Director helps the Directee recognize the presence of God in the ordinary happenings of daily life by inviting the Directee into a deeper relationship with a loving, faithful God.
